MODEL LINE-UP

Gotta love a holiday with minimal flying time. We've travelled Australia from coast to coast to seek out the best beach, city and outback stays. Book now!

The LOOSEST WEEKEND

Southern Ocean Lodge: spectacular views included

Enjoy the Southern Ocean sunsets...

Marvel at the aptly named Remarkable Rocks

SOUTHERN OCEAN LODGE, KANGAROO ISLAND, SA

BEST FOR This is definitely one for the lovebirds.

CHECK OUT The remote location is absolutely stunning. The Lodge sits right on the cliffs of Hanson Bay at the southern end of Kangaroo Island, and is completely surrounded by gorgeous native bushland and rugged beaches.

OUR FAVE BIT Food and drinks are included in the room rate and the breathtakingly well-stocked bar is open at all times, so you can help yourself to a bevvie whenever you fancy. Or get one of the friendly barmen to whip you up a cocktail.

DON'T FORGET A good book. We love John Green's *The Fault in Our Stars*.

GET ACTIVE See Kangaroo Island's spectacular scenery and wildlife – checking out the sea lions at Seal Bay is a must-do. The hotel organises a variety of private tours of the Island, including hiking and kayaking.

www.southernoceanlodge.com.au

LILIANFELS, BLUE MOUNTAINS, NSW

BEST FOR All kinds of foodies.

CHECK OUT There are bushwalks right across the road for different abilities – all with amazing lookouts for photo ops.

OUR FAVE BIT Food, glorious food! The on-site Darleys restaurant? Oh, the deliciousness! We're also rather fond of the high-tea spread Lilianfels puts on of an afternoon – it's scone heaven.

DON'T FORGET A cosy sweater.

www.lilianfels.com.au

Splurge on a blow-out at Lilianfels – then swim it off. Sorted

SKY DARWIN

BEST FOR Getting back to nature. **CHECK OUT** The incredible wildlife and landscapes of the Top End. Go on a day tour or, if you're feeling adventurous, try a crocodile safari to witness the crocodiles in their natural habitat. Or, if you're feeling like a local, see Aboriginal art and learn about the culture.

OUR FAVE BIT The beautiful man-made beach at Casuarina. The white sand comes from Queensland and it's like a slice of paradise. The Casuarina cabana has a private deck you can dive off right into the pool, which (of course) has a swim-up bar.

DON'T FORGET Sunscreen, a hat, sunnies and a bikini.

SPLURGE ON Dinner at the hotel's Cove restaurant – the seafood platter for two is our pick.
