SOUTHERN OCEAN LODGE, KANGAROO ISLAND, AUSTRALIA

EVERYDAY ENCOUNTERS on Kangaroo Island range from sea-lion and fur-seal sightings on deserted beaches to kangaroo and wallaby crossings on abandoned prairie roads. Guests of the Australian island's Southern Ocean Lodge, however, find that glimpses of fellow humans can be few and far between. Set above the shores of Hanson Bay, the adventure lodge stretches across a windswept bluff, where 21 glass-walled suites feature locally designed furnishings and spellbinding views of the Southern Ocean. No more than 46 guests at a time enjoy 250 acres of preserved land, as well as access to nearby Flinders Chase National Park and Kelly Hill Conservation Park. The island's bounty is also on display in the main lodge, where the restaurant's daily menu features such local ingredients as American River oysters and Ligurian honey. A sprawling terrace serves as a perfect setting for sipping sundowners and, if desired, mingling with other guests. (\$950–\$1,760 per person, all inclusive) www.southernoceanlodge.com.au —JILL K.
