## Island

Southern Ocean Lodge is Australia's first true luxury lodge, offering a unique and exclusive Kangaroo Island experience. Graced with sweeping horizons of pristine wilderness, Kangaroo Island is treasured as Australia's Galapagos. Kangaroos, koalas, seals, dolphins and whales frolic to everyone's delight in this 'zoo without fences'. An inspiringly wild landscape is also home to artists and boutique food and wine producers, and is rich in swashbuckling tales of the untamed Southern Ocean.

## Lodge

Sensitively designed to blend seamlessly with this ruggedly beautiful, untouched landscape, Southern Ocean Lodge appears to float along its secluded cliff top setting. The expansive Great Room lies at the helm, forming the hub of the lodging experience – dine decadently in the Restaurant, lounge with a book and a drink or plan a great day ahead. Floor to ceiling windows extend panoramic views of white-sanded beaches pounded by the wild Southern Ocean. Local limestone walls, recycled timbers and bespoke furnishings afford guests a sanctuary of refined comfort and luxe, Kangaroo Island style.

## Food & Wine

Celebrated as Australia's culinary capital, the rich soils and pure rains of South Australia inspire artisan growers to produce a bounty of premium, fresh and often organic food and wines. The daily-changing Lodge menu pays tribute to these fine local ingredients. An alluring walk-in cellar featuring exclusively South Australian wines completes a sophisticated Island epicurean adventure. Rates include all dining and a 'feel at home' open bar.

## Experience

A grand, ever-changing landscape and wild untouched horizons invoke a sense of being a privileged pioneer. A personalised itinerary affords guests the opportunity to encounter abundant wildlife first hand whilst 'treading lightly'. Walk amongst enormous sea lions, one of the Island's many privileges, or witness kangaroos at dusk - 'kanape' in hand. Discover Island food and wine delights or the local arts with an optional private charter, or relax and enjoy nature's theatre from a stage of organic luxe.

## Spa

Venture along the coastal boardwalk to the secluded Southern Spa, an intimate and tranquil oasis atop sheer limestone cliffs, with views to the great sweep of the southern sky and imagined Antarctic. Retreat and rejuvenate with tailored treatments featuring the Dreamtime-inspired Li'tya spa care range and indigenous massage techniques. Kangaroo Island's own natural beauty products - Ligurian honey, eucalyptus, mineral salts and lavender combine to create an essential Island spa experience.

## Stay

An intimate twenty-one sumptuous suites cantilever along the rugged coastline, each with mesmerising views of the Southern Ocean, designed to reflect the unique Australian setting. Indulge in lavish king beds dressed in the finest cottons and linens or retreat to the signature sunken lounge.
