Served all a carte breakfast features fresh juices, house bakery, innovative dishes, old favorites, exceptional coffee and an extensive tea selection.

Artisan producers of sustainably produced ingredients are honoured in each menu, creating a unique experience of South Australian dining. Guests may sample a petite king crab salad, house made gnocchi accented by salty KI 'samphire', follow with local queen snapper or SA rolled pork shoulder and finish with a cheese selection featuring KI sheep's milk manchego and haloumi, or with a dessert perhaps flavoured with KI lavender or the intense Ligurian honey.

In keeping with the Lodge commitment to featuring local produce, an excellent range of diverse Kangaroo Island and South Australian wines and beers has been hand selected to comprise the beverage menu at Southern Ocean Lodge. Guests may help themselves to a drink from their in-suite bar, or from the bar in the Great Room there's always a Southern Ocean Lodge team member on hand to assist with mixing a cocktail or assist in selecting and serving the drink perfect for the moment.

Sunset drinks served each evening either at the Lodge or in the wild and provide a wonderful opportunity for guests to get to know both the SOL team and the other guests. Selected wines are served with lunch and dinner.
